

# Riverina Song

(Sung to the tune of I Still Call Australia Home)

## Verse 1

I've been to places you'd never believe  
Out of bounds, in the dam and up against trees  
But no matter how grim and awful my score  
I still keep coming back for more.....

All the puts I've missed and the shots that went astray  
Nowhere near the green and the flag  
And as the course gets tougher, the rough gets rougher  
I feel my enthusiasm sag.

## Verse 2

There in the distance is the 19<sup>th</sup> tee  
Where all my friends are waiting for me  
Where you'll have a chardy and I'll have a beer  
And we'll talk about the good holes and forget about the bad holes  
And see you at Commercial Albury next year.
